

# TRAIL MAP

# FEBRUARY 20, 2016

The Yeti Tour route is roughly 140 miles in length along the shortest route. Maintaining a trail speed of 30 MPH and including stops along the way you can complete the ride in roughly 7 hours (20 MPH average speed). At this pace you should complete the ride and arrive back at The Sunset at 5pm. Commencement and the snowmobile raffle will take place at 8pm. This leaves you plenty of time to complete the ride, including optional routes and stops for food or beverages. Feel free to take your time and enjoy the day! We encourage riders to travel in groups and to ride at a comfortable pace. Please be respectful of other riders on the trail and support other Yeti Tour riders along the way.

## Sunset to Fish Lake (north)

From The Sunset travel west until you reach the Lavaque Rd. After crossing the Lavaque Rd. continue straight (west) onto the Hermantown Trail, which will turn north toward Fish Lake. Once you arrive at Fish Lake you enter near The Eagle's Nest.

## Reservoir Riders Trail (east)

The trail leaves the north end of the lake near the Blue Max and turns right (east) across the Lavaque Rd. onto the Reservoir Riders trail. This trail continues east.

## North Shore Trail (north)

Once you reach the North Shore State Trail you will turn to the left (north). We will continue north past the Pequawayan Trail, staying on the North Shore State Trail, all the way to the Yukon Trail. Food and gas are available at The Dixie, just north of Two Harbors.

## Hugos (west)

Continuing on the Yukon trail you will eventually reach a T intersection for the Pequawayan/Brimson trail system. You will head left (west) on this trail toward Hugos. Note, there is a scenic overlook just to the north on the Yukon Trail if you'd like to check it out before heading west. The Brimson/Pequawayan trail will eventually take you to Hugo's in Brimson. Gas and food are available. You have completed half the ride at this point. From Hugo's turn left (south) to continue on toward Pequawayan.

## Pequawayan Trail (south)

Take the Pequawayan Trail south toward the Pequawayan Inn. Gas and food are available at the Pequawayan Inn. From the Pequawayan Inn, continue south toward The North Shore State Trail.

## North Shore Trail (south)

Once you reach the North Shore State Trail you will return the same way you came to make your way back to The Sunset, utilizing the Reservoir Riders Trail, then the Hermantown Trail.

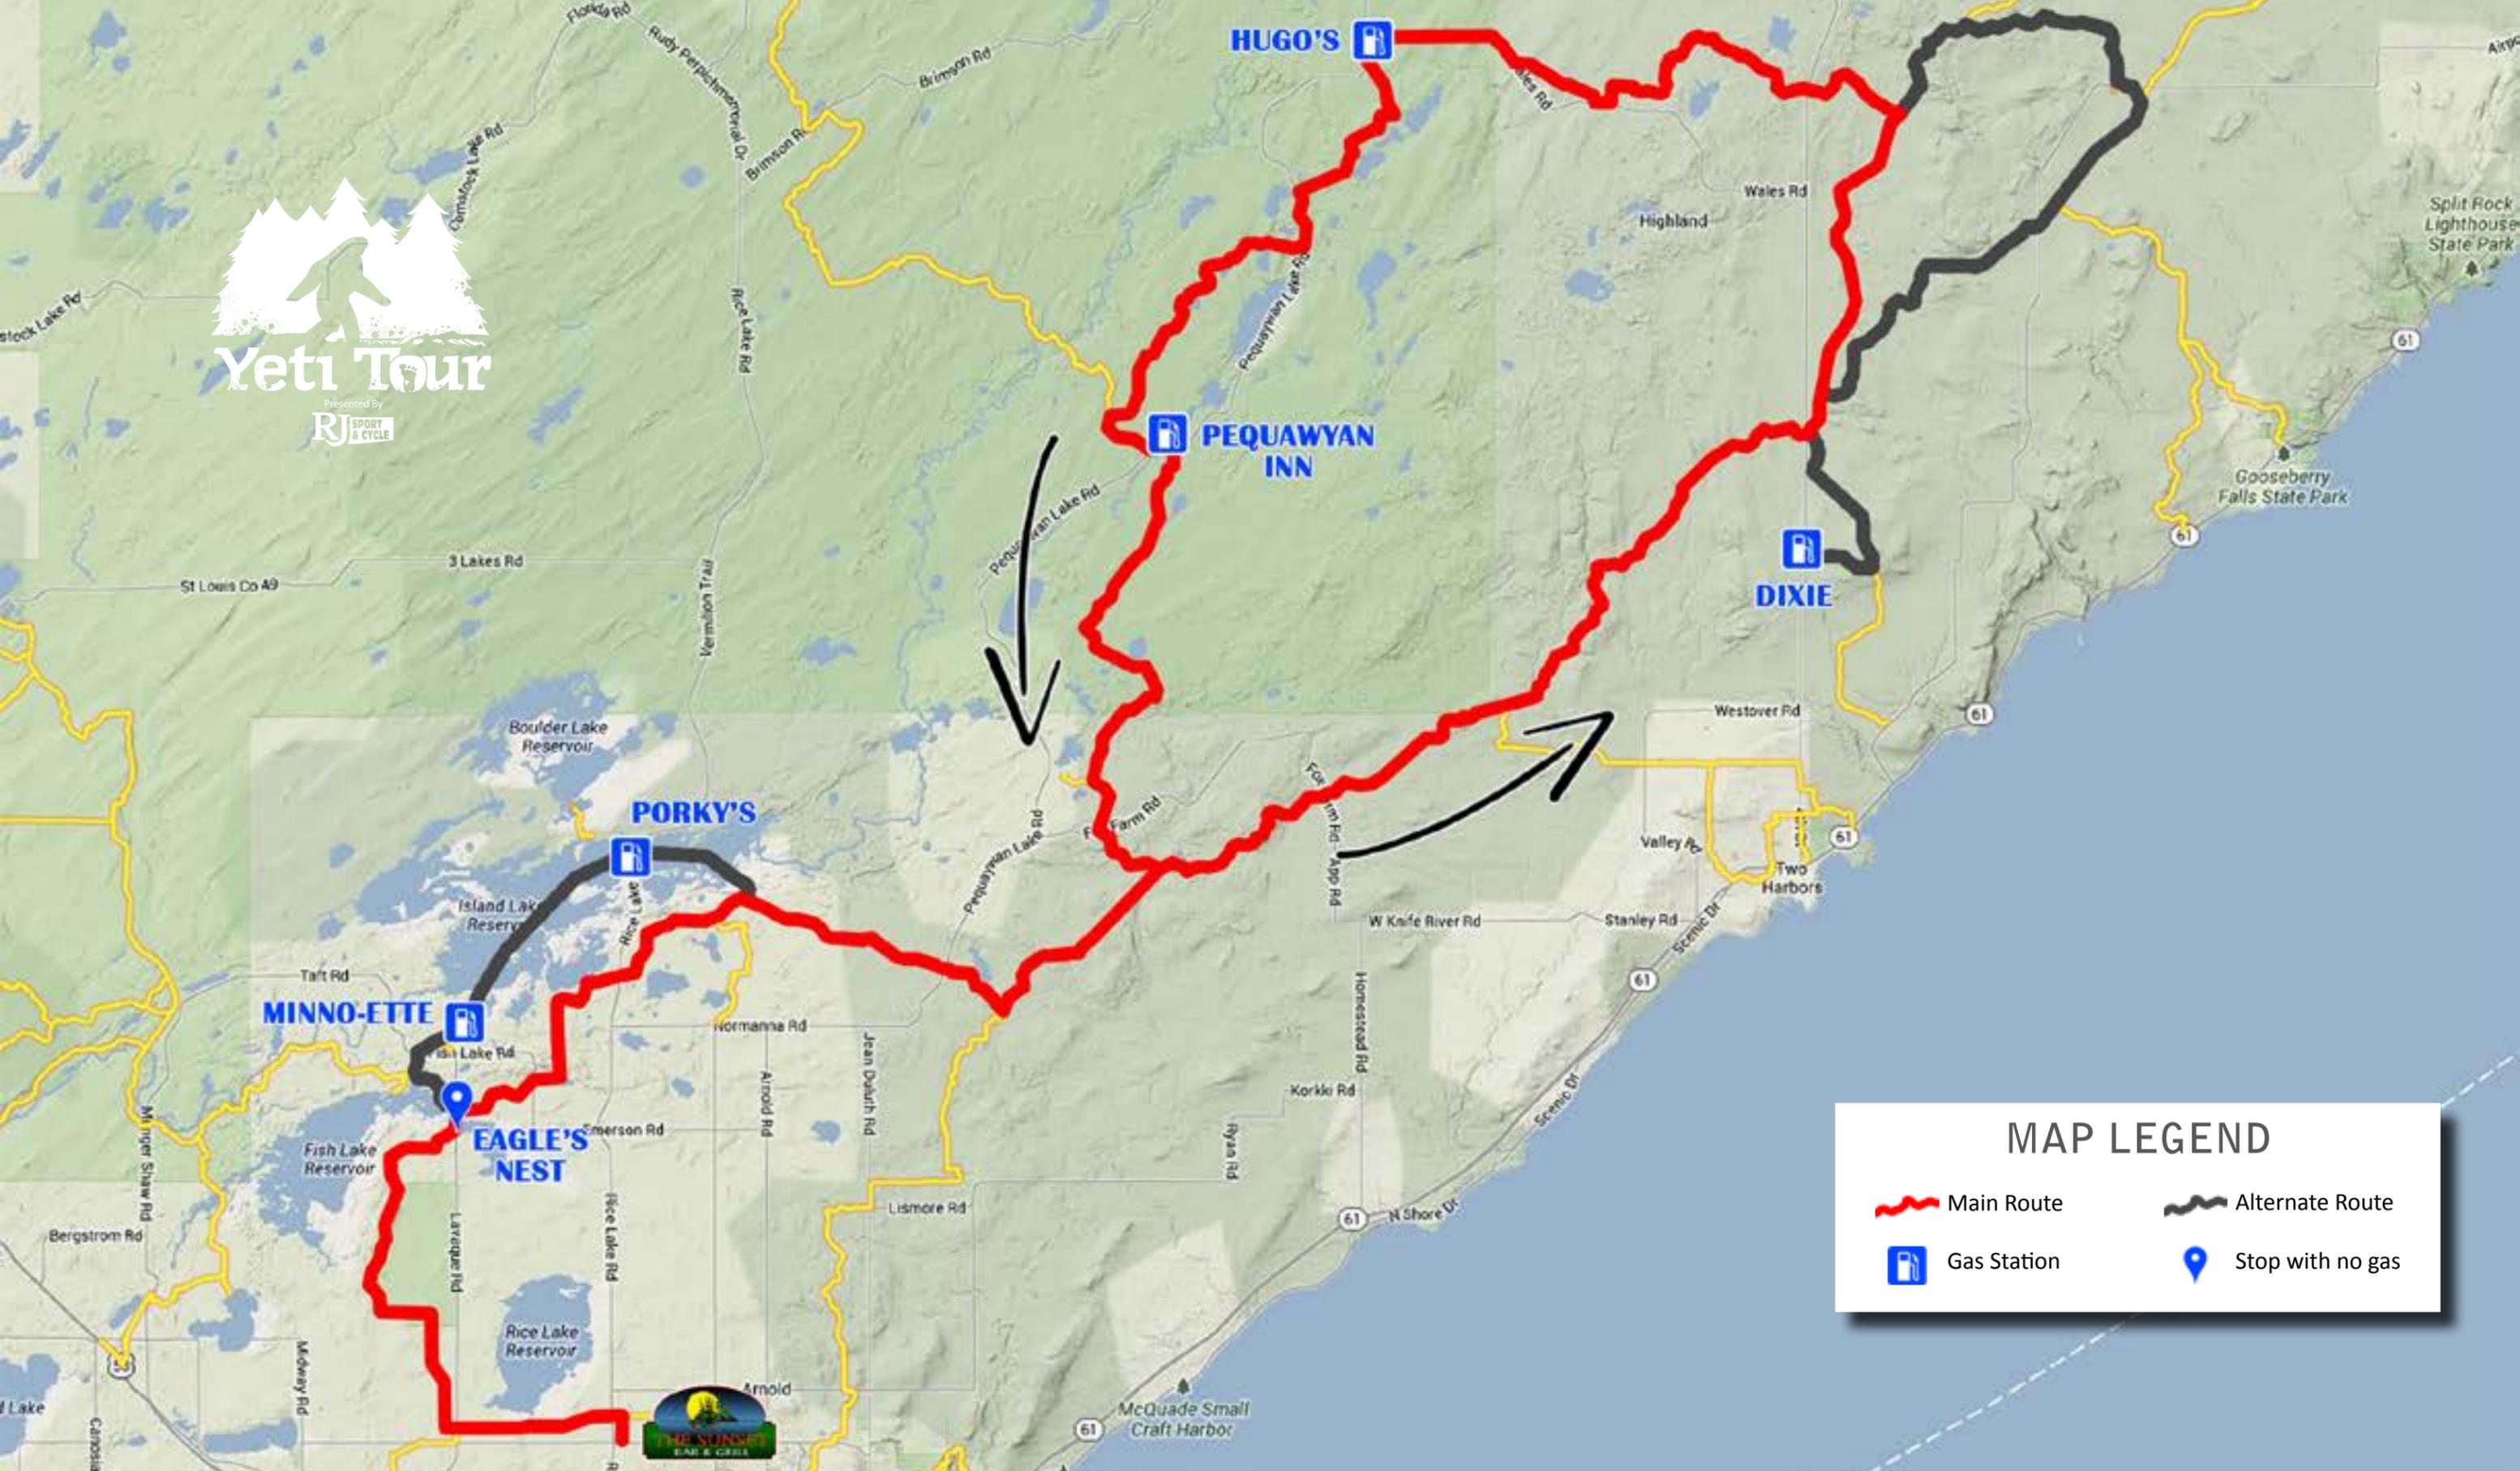

## The Sunset

Once you return to The Sunset, come inside and celebrate with us! The Sunset is offering a pizza dinner buffet for all Yeti Tour riders for \$10/person, all proceeds to benefit the event! Stick around for our commencement ceremony at 8pm, where we'll have exciting giveaways for our fundraisers and raffle off our new 2015 Yamaha Viper!
